TO HONOR BRIDE-ELECT.

Mrs. J. D. Foster of 1231 Fourteenth street, Moline, entertained last week at a prenuptial courtesy to her niece, Miss Dorothy Gamage, daughter of Mr. and Mrs. Henry Gamage of 4505 Fifteenth avenue, this city, whose marriage to William Dowd of Rock Island will take place this month.

It was a miscellaneous shower for the bride-to-be and she was given some lovely articles which will beautify her new home. Decorations of the Foster home were in pink and white, which the bride has chosen as her wedding colors, and these were also carried out in the refreshments for the two-course luncheon served at the prettily decorated table with covers for fifteen guests. A bouquet of cut flowers made an attractive centerpiece.

Following the luncheon a season of music furnished by the bride-elect and other talented guests made the afternoon a pleasant one. Miss Gamage is to be honored at a number of entertainments previous to her marriage.

TENNIS TOURNAMENT AT Y. M. C. A. NEXT WEEK

Plans are being perfected for a tennis tournament to be started next week on the Y. M. C. A. courts. There has been much interest developed in this game since the playground was opened at the Y. M. C. A., and a number of excellent players have been discovered, both men and boys.

The tournament will be handled in three divisions, for younger boys, older boys, and men, and appropriate trophies will probably be offered to the winners. The men are expected to welcome the opportunity to determine the local tennis "championship," and some lively contests are in prospect.

They will stop there for dinner and a game of baseball, spending the middle of the day in a cool place. Later in the afternoon they will go on to Muscatine, and after a swim at the Y. M. C. A. building there and a night out of doors, they will return home on Friday. Boys who wish to attend this hike must register at the Y. M. C. A. office at once.

COMMITTEES AT WORK HERE NOW

Members of Law and Auditing Boards of Woodmen Arrive in City.

WILL BE HERE SATURDAY

Program for Banquet and Reception at That Time to Head Officers Will Be Completed Wednesday.

Members of the head camp law committee and of the head camp board of auditors, numbering 14, arrived this morning and started on their annual tasks.

The law committee will write the amendments passed at the head camp meeting held recently in Toledo. At that time, when the motions for amendments were made, only the general theme of the changes desired were made by the delegates introducing them. The work of the committee will therefore be to draw up the amendments in the form in which they will be published.

The law committee follows: Nelson C. Pratt, Omaha, Neb., chairman; Judge Eliza Barker, Minneapolis, Minn.; E. A. Enright, Kansas City, Kan.; J. Earle Brown, St. John, Mich.; E. D. Reynolds, Rockford, Ill.; Hon. F. M. McDavid, Springfield, Mo., and F. P. Starr, Janesville, Wis.

The board of auditors will audit the books of the various officers of the society. Only two changes in these will be made, those of the head clerk and head banker.

The work of this committee usually takes up about 10 days' time, and it is expected that by the middle of next week they will have completed their task.

The board of auditors: George L. Bowman, Kingsfisher, Okla.; L. W. Otto, Crawfordsville, Ind.; Judge E. B. Thomas, Columbus, Ohio; M. R. Carrier, Lansing, Mich.; Martin O'Brien, Crookston, Minn.; Fred W. Parrott, Clay Center, Kan., and George Summers, Cape Girardeau, Mo.

Council Meets Wednesday. The executive council will meet in its monthly session here on Wednesday. It will be the first meeting since the head camp, and on the following Tuesday the new officers will take their places.

The head officers, the law committee and the board of auditors will all be in Rock Island on next Saturday, at which time the employees of the head offices will give a reception and banquet complimentary to the head officers at the Masonic temple.

The program is rapidly being arranged and will be completed, ready for announcement by Wednesday.

OFFERS VIEWS OF THE WAR OF 1812

Hundredth Anniversary of Battle of Campbell's Island to Be Observed.

A PROGRAM NEXT MONDAY

Rock Island County Historical Society Will Be in Charge of Exercises on the Scene.

One week from today, July 20, the 100th anniversary of the battle of Campbell's Island, will be observed at that historic spot under the auspices of the Rock Island County Historical society. It is planned to make the exercises worthy of the occasion in every respect.

The program will be given at 3 p. m. at the inn. It will be open to the public as well as to members of the society, and an effort is to be made to interest as many as possible.

W. A. Meese of Moline, leading local historian, will open the meeting and will then turn it over to the officers of the Historical society of which S. W. Searle is president. Rev. R. S. Haney of Moline will deliver the oration, and Father J. S. Kelley will pronounce the invocation.

Show Battle Views.

A feature of the program will be moving pictures of reproductions of some of the battles of the war of 1812 during which the Campbell's Island massacre took place. One of these will be the capture of New Orleans by General Andrew Jackson, this being the blow which finally destroyed the hope of Great Britain to retain dominion over the present territory of the United States. Stereoscopic views of the Indians in this locality in the early days will also be presented.

Music will be given afternoon and evening by John Hauberg's Boy Scout band, which will go to the island the evening previous to the observance and camp there over night.

BLANCHE COLLINS GETS HEAVY FINE

Is Told That She Will Be Assessed Big Amounts Every Time She Is Arrested.

Blanche Collins, who ten days ago was arrested in Jonas Meyers place on Twenty-second street, between Third and Fourth avenues, was fined \$200 and costs, when she pleaded guilty before Magistrate C. J. Smith this morning on a charge of disorderly conduct.

At the time of her arrest she asked for a continuance, claiming that she was going to get an attorney to defend her. In explaining to her why he was assessing such a heavy fine, Magistrate Smith told her that he had warned her to leave this city a number of times, and since she intended to remain here he was going to fine her heavily every time that she is brought before him.

William Ward and Jonas Meyers also arrested at the time the Collins woman was taken into custody, were each fined \$10 and costs. None of the three was able to pay, and all were taken back to the county jail.

Mrs. H. Osborn, who resides on Fourth avenue, was released this morning of the charge of larceny, when she was arraigned before Justice of the Peace Carl Kuehl.

SICK MAN EXCUSE MADE BY SPEEDER

Claimed That He Was Conveying Ill Persons to Sanitarium in Davenport at Time.

L. O. Wertman of Moline, plead that he was conveying a sick man to the sanitarium in Davenport as his reason for speeding on Seventh avenue yesterday afternoon, when he was arraigned before Police Magistrate C. J. Smith this morning.

He was arrested by Special Traffic Officer P. J. Carey, who stated that he caught the driver speeding twice on the avenue. According to the officer, Wertman was exceeding the speed limit when he drove east on the avenue but stated that he was taking an ill man to the hospital.

He returned west on the avenue a short time later with the party and made the same plea, but was arrested. He asked for a continuance of his case, and it was set for Saturday morning.

DIPS AGAIN WORK AT WATCH TOWER

One Victim Is Relieved of Purse Containing \$25, but No Others Reported.

Pickpockets again operated at Watch Tower park last evening. One man is known to have been relieved of his purse containing \$25 in bills. The dip was very clever and the robbery was not detected until some time afterwards, and thus far no arrests have been made.

It is not known how many were in the gang nor how many were "touched," but only one case is reported, so it is presumed that they secured only one victim.

The crowd at the Tower was not as huge as on the other instance on a Sunday evening towards the latter part of May, when a woman turned sleuth and traced down a dip, who not only robbed her husband, but several others.

ROCK ISLAND MAN FRUSTRATES FOUR

Sweeps \$45 Into Drawer of Table at Huber's Garden and Fights Off Quartet.

ALL MAKE GOOD ESCAPE

Raymond DeBaerdnaker Proves a Faithful Cashier of Funds Belonging to Moline Bicycle Club.

Opening a drawer at a table with one hand and sweeping \$45 in silver into it with the other locking it, and then giving fight, Raymond DeBaerdnaker, 635 Forty-fifth street, Rock Island, frustrated four men who attempted to hold him up at Huber's garden at 10:45 o'clock Saturday night.

De Baerdnaker was in charge of the sale of tickets to the dance hall. He is a member of the Moline Bicycle club which at the time was holding its annual picnic at the garden.

The money was piled high on the table in dollars, halves, quarters and dimes. Four men, all residents of Rock Island or nearby, came up to the table. De Baerdnaker presumed that they were about to purchase tickets for the dance, but on the other hand, one made a lunge for the money. The cashier was too quick for them, however, and in an instant had the money in the drawer, which was equipped with a spring lock.

Fights Men Off.

De Baerdnaker was up on his feet fighting the men away, and as help came almost immediately, the four disappeared. This morning a warrant was sworn out for one of the quartet, and it is expected that by night all will be apprehended.

De Baerdnaker, while he recognized all of the men, knew only one by name, and it is expected that through the arrest of him the names and addresses of the other three will be secured.

BODEN'S CONDITION REMAINS THE SAME

The condition of Robert H. Boden, Jr., 20 years old, who was injured in making a dive at the Crescent bridge Friday evening, remains about the same. He has remained conscious ever since the accident. Dr. Joseph DeSilva, who is attending him, stated this morning that three or four days would be required yet to determine his chances for recovery, which are small at the present.

A convict had died of eating onions at the state prison in Kansas. It might be thought that the onions had been accidentally or otherwise poisoned, but the truth seems to be that the convict ate too many of them. It is well to know that there is such a thing as eating too many onions.

HEART and HOME PROBLEMS

MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: I am a girl of 14 and have a friend of 15. We are both the same size; I am large for my age.

(1) How old should a girl be before she goes to dances?
(2) Is it all right for us two girls to go to a show with a boy friend of our age (16)?

(3) Is it all right for the boy to kiss us good night?
(4) Should two girls like us go with anybody steady?

(5) What will whiten a tan skin?
(6) My chum and I have brown hair and blue eyes. Would a tan coat look good on us? Or what color would you think would look good on us?

(7) What will take stains out of clothes?
(8) Will you please give me a good cookie recipe.

BLUE EYES.

(1) If you mean public dances, my dears, I do not think any nice girl should go there. Girls of your age can go to respectable dances among friends.

(2) I see no harm in it if it is a respectable show and he is a respectable boy. Of course, I take it for granted that you ask your mother or father for permission to go and tell your folks all about the show afterward.

(3) Does he kiss you both when he takes you home together? He must be very affectionate—just like a puppy that loves everything and wants to lick everybody's hand. No, I don't think those good-night kisses are all right unless a couple are engaged to marry each other.

(4) You are both too young. Wait until you are 18, at least.

(5) Buttermilk or lemon juice.

(6) Tan would look well on you; so would brown and blue.

(7) It depends upon what makes the stains. Hot water poured on from a height will take out fresh fruit stains. Soap and warm water will take out ordinary grease stains. Naphtha and chloroform will take out most stains.

(8) Our Favorite Cookies—One cup sugar, one-half cup baking molasses, one cup sour milk (or buttermilk), one cup raisins chopped, one tablespoon soda, two teaspoons cinnamon, one teaspoon cloves, flour to roll out as soft as you can.

Dear Mrs. Thompson: A Chicago gentleman friend of my brother's came to visit us for a few days. This was the first time I met him. When he returned home he sent me a beautiful card. Am I to thank him for it, for it was very, very pretty? I was the only one who wrote to. How can I thank him? BROWN EYES.
